

NLBMDA Members Save on ELDT Trainer Certification!

Now you can have J. J. Keller's **Safe & Smart® ELDT Trainer Certification Program** train your trainers to deliver entry-level driver training (ELDT) – and get discounted rates exclusive to NLBMDA members!

With this program, your driver trainers will be prepared to effectively deliver J. J. Keller's **Safe & Smart® ELDT** curriculum online, in the classroom, on the range and on the road. It's the industry's most hand-on, customizable trainer certification program, providing the flexibility to train your trainers when and how it works best for you.

How Our ELDT Trainer Certification Program Works

Our program includes:

Online Courses

Ensures trainers have a strong understanding of the same content entry-level drivers will be tested on while taking the Safe & Smart® online courses.

Classroom Instruction

Teaches your trainers how to effectively use and deliver our ELDT course curriculum materials in the classroom.

Range & Road Experience

Demonstrates how to set up a range, conduct vehicle inspections and backing exercises, coach drivers on the road and conduct final testing.

Evaluation and Certification

Concludes with recommendations for improvements, advice on best practices and certification to deliver the Safe & Smart® Program to entry-level drivers.

Plus, we'll assist with getting your company registered on FMCSA's Training Program Registry (TPR) and provide ongoing checkups and support.

Why Our Program is So Effective

Our instructors combine our proprietary program methods with adult learning techniques to ensure maximum retention. And all of this is tailored using the actual types of CMVs your trainers will train with. The program also provides:

- Safe & Smart® ELDT Trainer Program Guidebook
- Monthly Driver Training Awareness newsletter
- PowerPoint presentation for conducting classroom instruction
- Unlimited access to our subject matter experts for regulatory & safety questions
- Access to all Safe & Smart™ ELDT online courses
- Two-year certification of Safe & Smart® ELDT trainers
- Safe & Smart® ELDT workbooks
